Your petitioner, Polyplastics Co., Ltd, a corporation having a place of business at 3-13, Azuchi-Machi 2-chome, Chuo-ku, Osaka-Shi, JAPAN 541-0052, hereby represents that it is the assignee of all right, title and interest in and to the above-identified U.S. Application Serial No. 10/655,034, filed September 5, 2003, for SHAPED ARTICLES OF POLYACETAL RESIN ("the above-identified application") and its parent U.S. Patent No. 6,642,289 issued on November 4, 2003 entitled POLYACETAL RESIN COMPOSITION AND MOLDINGS ("the '289 patent") as evidenced by an Assignment recorded on June 2, 1999 at Reel 010080/Frame 0209.

Petitioner does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term as presently shortened by any terminal disclaimer of the '289 patent in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321(a), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

The evidentiary documents accompanying this document or referred to above have been reviewed by the undersigned and it is certified that to the best of the assignee's knowledge and belief, title is in the assignee seeking to take action.

The undersigned is an attorney or agent of record.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
